

# Boston Children's Museum Corporate Connections

Since its founding in 1913 by educators, the mission of Boston Children's Museum has focused on building the essential skills necessary for early learning. The Museum emphasizes hands-on engagement and learning through experience, employing play as a tool to spark the inherent creativity, curiosity, and imagination of children. Museum exhibits and programs focus on science, language, music, art, culture, and health and fitness. By creating opportunities for playful exploration, the Museum instills a lifelong love of learning in its young visitors and strengthens important 21st century skills including critical thinking, collaboration, and communication.

## Membership

Corporate Connections memberships at Boston Children's Museum provide exceptional access to the Museum's groundbreaking exhibits, award winning programs, and one-of-a-kind collection. Our corporate members' contributions are critical, allowing the Museum to bring together the best resources of early childhood education to benefit the unique and diverse children of Boston and beyond. Utilize your benefits to reward employees, entertain clients, connect with community partners, or donate your passes to become a Sponsored Visits supporter and ensure access to the Museum for kids of all economic backgrounds.
